

Patrol Service Calls for Pool and Park Facilities

The Woodbury Community Association contracts with Nordic Security Services to provide patrol services at the Association's pool and park facilities. If you observe a rule violation or other urgent patrol matter at a pool or park facility, please call Nordic directly at 714/751-0347. Some examples of issues that would be appropriate to report would be groups using a pool facility after closing, loud parties in a pool or park facility, non-residents using a facility or other urgent violations.

Please note that after hours maintenance issues such as sprinklers running, a pool overflowing, pool gate malfunction or other urgent maintenance concerns should still be reported to 949/580-2028 for response by the appropriate vendor for repair. Maintenance calls should not be made to Nordic. Also, please note that Nordic does not respond to concerns at private residences or the Sub-Association properties within Woodbury. Issues at private residences should be reported to the Irvine Police Department at 949/724-7200. Additionally, concerns on Sub-Association property should be directed as determined by your Sub-Association. If you live in a Sub-Association and observe a problem requiring a response from a patrol service, please contact your Sub-Association directly.

If you have any questions regarding patrol services in Woodbury, please contact Susan Seifen, General Manager, at 949/451-1654 or at sseifen@pcmineternet.com.
