**Notes:**

These rules are intended to temporarily supplement existing pool complex rules. Where there is a conflict between the existing rules and the temporary rules, the temporary rules prevail.

The Board has passed these temporary rules in order to allow residents to conditionally use a portion of the Association's amenities. With that stated, it is the Board's expectation that all residents will comply with these temporary rules. If any resident is found to be in non-compliance with any of these, or any other Association rules, the Board reserves the right to enforce said rules as it deems appropriate within its authority.
